

# Employers - we need your help!

At Cardinal Newman School we are always looking for local employers to assist in helping to inspire our students.

## What events could you become involved in?

- Meet the employer events
- Jobs fairs
- World of work week
- Mock interviews
- Get involved in extracurricular clubs and activities
- Give an aspiring talk based on your industry or job role
- Run a hands on workshop with activities relating to your area of expertise
- Be part of our discussions about pathways after school e.g. apprenticeships
- Help champion specific issues and challenge barriers in the workplace around gender stereotyping, disability and further issues
- Help bring a subject lesson to life by linking it to your industry
- Offer a work experience placement for students at your business premises

## How can you get involved?

Email the school careers lead and state that you would like to support – you will get an email back to decide how you can help
