

Year 9 Science

Physics

P3.3 Sound and waves

Big idea – Radiation transfers energy

Chemistry

C3.3 Using Resources

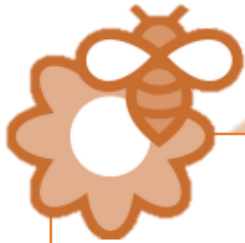

Big Idea – Earth systems interact

Biology

B3.3 Genetics

Big idea – Characteristics are inherited

Term 3

Physics

P3.2 Heating & P3.4 Home electricity

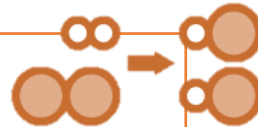

Big idea – Energy is conserved & electricity transfers energy

Chemistry

C3.2 Introduction to Quantitative Chemistry

Big idea – Reactions rearrange matter

Biology

B3.2 Human Interaction

Big idea – Organisms are interdependent

Term 2

Physics

P3.1 Acceleration

Big idea – Forces predict motion

Chemistry

C3.1 The periodic Table

Big idea – Structure determines properties

Biology

B3.1 Growth and differentiation

Big idea – Cells are alive

Term 1

OUR LEARNING JOURNEY
