5. If you don't have a smartphone or prefer to use a computer, you can set up your account using [the web version](#) of School Gateway.

How to log in

1. Once you have your PIN, go ahead and launch the School Gateway app on your smartphone or tablet.
2. Enter the email you have registered with your school and the PIN you received. If you didn't get a PIN, it is likely because your school doesn't have the right contact info. Get in touch with them to check.
3. If both the email and PIN are entered correctly, hit '**Login**' and you're ready to start engaging with your school.
4. You can also access School Gateway [on the web](#)
