Dear Parent/Carer

RE: Y11 Mock Examinations

We hope that you and your family are well at this time.

We are writing to inform you that our mock examination period will begin on **Monday 20th October 2025 until Wednesday 5th November 2025.**

Students must be punctual and must attend all mock examinations. We have enclosed a copy of your child's mock examination timetable to support with this. Please ensure your child arrives promptly to school for **8.15am** and that they register outside the Sixth Form Centre by this time.

Mock examinations are an important part of Year 11 as they help to identify student progress and understanding, identifying gaps for future learning as well as providing students with further examination experience ahead of their summer examinations.

The revision booklet provided will support students in preparing for these mock exams alongside set resources provided on Class Charts.

We want mock examinations to be a positive experience that supports and develops skills and resilience in preparation for future examinations. If students are not successful in their mock examinations they will be selected to resit, after being provided with guidance on how to improve to ensure students have a positive experience. If you need any further support, guidance or information please do not hesitate to contact us. Please be reminded that our Year 11 Parents' Evening is on Thursday 4th December 2025 where parents/carers will be invited to collect and discuss mock exam results.

We would also like to take this opportunity to thank you for your continued support and a huge well done to all those students who have started so well in Year 11 and have continued to work hard and demonstrate that they are truly made for greatness.

Yours faithfully,

Mr A Heyes
Associate Assistant Headteacher
