Dear Parent/Carer

Y13 Mock Examinations

We are writing to inform you that our mock examination period will begin on **Monday 20th October until Wednesday 5th November 2025.**

These mock examinations will be crucial in supporting Year 13 in their preparation for their A-level examinations next year. They will help to identify student progress and understanding, identifying gaps for future learning in the upcoming important months as well as providing students with further examination experience ahead of their summer examinations. You can find the mock timetable below.

The provided revision booklet will support students in preparing for these mock exams and will outline the following:

- Overview of examination content
- Key topics to revise ahead of the examinations
- Revisions resources and tips
- Additional revision that can be completed

We recognise that sometimes the assessment season can cause some students to feel anxious or stressed. We want this to be a positive experience that supports and develops the skills and resilience in preparation for future examinations. If you need any further support, guidance or information please do not hesitate in contacting us.

Students will be able to check the seating plan prior to the examination which will be displayed in the Sixth Form Centre. Students must be punctual and must attend all mock examinations. We have enclosed a copy of your child's mock examination timetable to support with this.

If there are any barriers to your child attending examinations, please do get in touch so we can put support in place and review access arrangements to ensure they are able to attend all future examinations.

Yours faithfully,

Mr A Heyes
Associate Assistant Headteacher
