## Mathematics KS4: Year 11 Higher Sets 2a,3a,2b (25-26)

## Mathematics KS4: Year 11 Higher Set 3b (25-26) **Exam Preparation SUMMER** 3:2 **Exam Preparation Exam Preparation SUMMER Exam Preparation Grade 6-7 Revision Booklet** 3:1 **Grade 6-7 Revision Booklet SPRING** 2:2 Mass, density, volume • Areas for improvement as Areas for improvement as **SPRING Functions** indicated by the mock indicated by the mock **Percentages** 2:1 assessment results assessment results Inequalities Speed, distance, time Combine/reverse mean **Linear sequences Quadratic sequences Cumulative Frequency Box Plots AUTUMN** Scatter graphs 1:2 Estimating mean Frequency polygons • Angles in parallel lines **Grade 3-5 Revision Booklet AUTUMN** 1:1 **OUR LEARNING JOURNEY**

## Mathematics KS4: Year 11 Foundation Sets a4,a5,b4 (25-26)

OUR LEARNING JOURNEY

- Solving quadratics by factorising
- Quadratic graphs
- Cubic and reciprocal graphs
- Changing the subject of a formula
- Reverse percentages
- · Speed, distance, time
- · Mass, density, volume
- Pressure, force, area
