

Cardinal Newman Catholic School Sixth Form 16-19 Student Bursary Fund Policy (2018-19)

The 16-19 Student Bursary Fund is a cash-limited fund to support learners who are economically or socially disadvantaged and face the greatest barriers to continue in education post-16. The bursary fund has 2 elements:

1. **16-19 Higher Mandatory Bursary (Vulnerable Bursary) of £1200** is only available to young people (16 to 19) who are in care or care leavers or living independently and in receipt of income support or universal credit or are themselves a young parent receiving income support or universal credit or are disabled and in receipt of both Employment and Support Allowance and Disability Living Allowance or are disabled and in receipt of both universal credit and personal independence payments.
2. **16-19 Discretionary Fund** is available for eligible learners to help with travel to Sixth Form, equipment, books, essential trips, or attending HE interviews. It applies to expenses during the current academic year. The Fund can also help with hardship needs arising from a sudden change in circumstances such as redundancy or a sudden drop in household income.

(Each application is judged on the basis of 'relative financial need', the amount of grant will be determined by that need and the funds available.)

Commitment Condition

Students in receipt of Vulnerable or Discretionary bursaries will be expected to comply with the school policies in respect of attendance (at least 95%), lateness, academic progress and behaviour.

Exceptional cases and Contingency Fund

Cardinal Newman Catholic School may hold back a small proportion as a contingency fund for exceptional cases at the discretion of the Headteacher or to respond to a typical need not identified through a formula approach. In these circumstances a clear record of the background and allocation will be held for audit purposes and the management of how this is fairly and consistently accessed will be carefully considered.

Who can apply for the 16-19 Vulnerable Bursary?

Students can only apply for a Bursary if they:

- Are aged at least 16 years old and under 19 years old at the start of the academic year and studying a state funded course at Cardinal Newman Sixth Form
- Young people in care, including unaccompanied asylum seekers
- Young care leavers
- Those students receiving Income Support/Universal Credit in their own right
- Young people getting both Disability Living Allowance (or the new personal Independent payments) and Employment Support Allowance (ESA) or Universal Credit as a replacement for ESA in their own right*

- Meet the residency conditions specified in this document.
- The bursary would not be paid into another person's account, except in exceptional circumstances where a student is unable to administer their own account.
- Students aged 16 can open a basic bank account. The basic bank account will allow BACS transfers and allow the student to withdraw money. More information on basic bank accounts can be found at the British Bankers' Association.

*The young person does not have to live independently of their parents; they can claim ESA or UC in their own right. Although, if they were successfully receiving ESA or UC, their parents/carers would not be able to also claim Child Benefit at the same time.
