Dear Parent/Carer

Re: Homework

Welcome back to the start of a new academic year. We hope that you are well and that your child is enjoying the return to school.

To support learning in the classroom, we will begin setting homework for students from Monday 13th September. The timetable for this is attached. We will continue to record homework on Class Charts and in student planners.

The majority of the homework set will be completed and submitted electronically. To support this, we will be relaunching our after-school homework club.

Homework is a valuable part of school life and helps support students to develop skills in preparation for assessments. Students completion of homework is monitored and the following process will be used:

- If a student completes their homework on time, they will be rewarded an aspire point.
- If a student produces an excellent piece of homework, they will be rewarded and acknowledged by the department.
- If a student does not complete homework by the deadline the student will have a 50-minute detention, which will take place after-school on a Thursday.

Please remember that you can monitor your child's homework, behaviour and timetable via Class Charts. Further details can be found here: <https://bit.ly/3jLnysw>

We hope you find this information helpful. If you have any questions about homework, please do not hesitate to contact us.

Yours faithfully

Mr S McDonnell
