## **Fieldwork Expeditions: Hunstanton & Birmingham – GCSE Geography** **Monday 17<sup>th</sup> July 2023 & Friday 22<sup>nd</sup> September 2023**

Dear Parent/Carer,

The Geography Department have organised the Geography fieldwork trips to Hunstanton for Monday 17<sup>th</sup> July 2023, and Birmingham on Friday 22<sup>nd</sup> September 2023. The trips are a compulsory element of students Paper 2: UK Geographical Issues exam paper. The visit will be an integral part to their accessibility of Section 3 in this exam, which is worth 36 marks of a possible 94.

For Hunstanton, we will be leaving school at 7:30am, to enable us to arrive at the Hunstanton Promenade for 10:30am. We will be departing at approximately 2:00pm to return to school by 5:00pm (dependent on traffic). Parents/carers will need to ensure they have organised travel arrangements to and from school. Students will be permitted to wear their own clothes, suitable for outdoor fieldwork and must check the weather forecast in preparation e.g. Sun-scream, raincoat etc.

For Birmingham, we will be leaving school at 8:30am, to enable us to arrive at New Street Station by 9:30am. We will be departing at approximately 2:00pm to return to school by the end of the normal school day. Please review details on travel/clothing above.

Students will need to bring their own food/water, and some spending money if free time is allocated to get some lunch at nearby shops.

**No payment is required as your child qualifies for funding for this trip.**

It is expected that all pupils attend this trip and if you have any questions do not hesitate to contact Mr Miller. If you would like your child to attend, **please complete the consent form below and return no later than Friday 14<sup>th</sup> July 2023 to student reception or a member of the Geography team.**

Yours sincerely,

Mr L Miller

Head of Geography

Ms E O'Connor

Headteacher
