March 2021

Dear Parent/Carer

As part of the government's plan to reopen schools and limit the transmission of COVID-19, students will be issued with their home testing kits today for use over the Easter holiday. Students have watched a video explaining how the test is administered at home and this video can be accessed via the link below:

<https://tinyurl.com/yuca7zbj>

Students will be issued with a test kit including 7 tests, which we suggest should be completed on the following days:

- Wednesday 7th April
- Monday 12th April
- Saturday 17th April
- Tuesday 20th April
- Friday 23rd April
- Monday 26th April
- Thursday 29th April

Included in the testing kit are instructions on how to administer along with a swab, testing kit, extraction tube and solution. The instructions also advise on how to upload your results. If a test result returns positive, you must inform the school as soon as possible.

Should you have any questions, please do not hesitate to contact us via email address admin@cncs.school As with the in-school testing, this is a voluntary undertaking and not compulsory.

Yours faithfully

Ms E O'Connor
Headteacher

Mrs T Boland
Chair of the Local Governing Body
