Re: Y12 End of Year Progress Reviews

Dear Parent/Carer,

Please find accompanying this letter your son/daughter's end of year progress review. On the review you will see the following information:

- **Y13 TF Grade** (current predicted grade for the end of Y13)
- **EOY Aim High Grade** (end of year current working at grade)
- **EOY Aim High Target Grade** (This is an aspirational target for the end of Y13 produced by an external company based on statistical data for your child)
- **Attitude to Learning Score** (7: outstanding attitude to learning to 1: very poor attitude to learning)

You will be able to determine whether your child is working on/above/below their Y13 'Aim High' target and therefore whether they are on track to achieve their target. Interventions will be put in place from September to support your son/daughter as they begin their final year of study at Cardinal Newman.

Students will return on Wednesday 6th September 2023 and all Y13 students must be in attendance for this first day. Decisions will then be communicated with regards to students completing their study periods at home. Please also ensure your son/daughter complies with our Post 16 dress code that can be found on the following page.

If your son/daughter is not intending to continue their studies at Cardinal Newman, please let me know so that a career guidance appointment can be arranged.

We would also like to take this opportunity to thank you for your continued support and to wish all of our students a happy summer holiday. We hope they will continue to work hard and demonstrate that they are truly made for greatness.

Yours faithfully

Mr S McDonnell
