September 2023

Dear Parent/Carer

Re: **National Manufacturing Day Visit**

We hope you and your family are well.

We would like to invite your child to an educational visit on **28<sup>th</sup> September 2023**.

Following the success of their previous event, manufacturers throughout the UK will be opening their doors to students to showcase their businesses. If your child is looking to follow an engineering/manufacturing/ automotive career pathway, this visit will really inspire.

Students from Cardinal Newman will have the opportunity to visit Coventry based firm, Envisage UK. Envisage UK have expertise in manufacturing, engineering, automotive and aerospace. They are also involved in concept cars. The planned session will initially involve a show and tell; and then move around the company starting in the Colour, Materials and Finish Department, Electronics and Additive Manufacturing, Trim Studio, Paint Workshop, finishing in the Build Studio.

Students will be leaving from school at 1.30pm and will return to school at approximately 4.15pm. Students will be expected to wear full school uniform. Spaces are limited so it will be first come, first served.

If you would like your child to participate in this event please complete the reply slip below.

If you have any questions about the event please email [sarah.scanlon@cncs.school](mailto:sarah.scanlon@cncs.school).

Yours faithfully

**Mrs S Scanlon**  
**Assistant Head**

**Ms E O'Connor**  
**Headteacher**
