February 2021

Dear Parent/Carer

Post-16 Applications 2021

We hope you and your family are well at this time.

At this point in the year students in Year 11 should be completing applications for their chosen post-16 destination.

Your child has expressed an interest in continuing their education at a further education college next year and to the best of our knowledge they have not, as yet, completed an application to their chosen provider. Applications are now open and are completed on-line. We have included links for the main colleges attended by Cardinal Newman students for convenience:

Coventry College:

<https://www.coventrycollege.ac.uk/further-education/>

Warwickshire College Group:

<https://wcg.ac.uk/page/2/study>

North Warwickshire & South Leicestershire College:

<https://www.nwslc.ac.uk/courses/college-courses/>

Solihull College:

<https://www.solihull.ac.uk/demographic/16-to-19/>

Some students have been reluctant to complete applications because they have been unsure about what grades to put on the form. All further education providers have indicated that they are **happy to receive applications without predicted grades**. They will then allocate students to the correct level of course once grades are confirmed.

Delaying an application increases the chances of courses being full and we therefore recommend that delays should be avoided if possible.

If your child requires any help or support to make an application, please do not hesitate to contact us and we will be happy to support.

If your son/daughter has now completed a post-16 application or has secured a place for next year, we would be grateful if you could let us know by emailing scott.thornton@cncs.school
