Re: Year 11 Progress Reviews

Dear Parent/Carer

Please find accompanying this letter your son/daughter's progress review. On the review you will see the following information:

- **Year 11 TF Grade** (current predicted grade for the end of Year 11)
- **EOY Aim High Target Grade** (This is an aspirational target for the end of Year 11 produced by an external company based on statistical data for your child)
- **Attitude to Learning Score** (7: outstanding attitude to learning to 1: very poor attitude to learning)

You will be able to determine whether your child is on target to achieve their Year 11 'Aim High' target. Interventions will be put in place to support your son/daughter as they continue their GCSE studies.

Further to this, to monitor your child's progress students will be participating in Mock exams week commencing the 23.10.2023. To support students with preparation for their mock exams we will be releasing a mock exam revision booklet in the next couple of weeks. Included in this booklet will be an exam timetable, topics to revise, revision resources and a revision timetable to support the organisation of their revision. We would recommend students participate in a minimum of 2 hours of revision per day.

If you have any questions regarding the year ahead, all information from our recent information evening can be found on our school website under the Year 11 year group page.

We would also like to take this opportunity to thank you for your continued support and to wish all of our students a successful year at Cardinal Newman. We hope they will continue to work hard and demonstrate that they are truly made for greatness.

Yours faithfully

Mr S McDonnell
Assistant Headteacher

Ms E O'Connor
Headteacher
