

unifrog

Introduction to Unifrog:
For parents

What is Unifrog?

- Unifrog believe that destinations - where students end up after school - is even more important than their academic performance. They partner with schools to support students to progress into the best opportunity for them.
- Unifrog do this by providing a one-stop-shop where students can explore their interests, then find and successfully apply for their best next-step after school.

The Unifrog tools

Access all tools on Unifrog to learn what options are available, access good quality information, and search for opportunities to support your child.

Social Care Worker Apprenticeship - Intermediate

Unifrog Choice Care Group / Recruitment - Old Bexley
Training Provider: DISTRICT TRAINING GROUP LIMITED

Do you enjoy helping people and making a positive impact in their lives? Are you caring, reliable and passionate? If you feel you have these unique qualities, we would love you to join our team. You will deliver high quality personal care following the care plan and individual resident wishes to ensure the comfort and dignity of each resident.

At Choice Care Group, you will be working towards an Adult Care Worker Level 2 Apprenticeship standard over the course of 12 months!

An apprenticeship with Choice Care Group will be not only a meaningful, active and rewarding job, but a possible new career as well and the opportunity to work with a fully dedicated team.

Choice Care Group is looking to appoint a Health and Social Care Apprentices to work in one of our homes. The successful candidate will work towards achieving a Level 2 Adult Care Worker Apprenticeship. Applicants should be at least 16 years old and not in full time education.

By the end of your Apprenticeship you'll have gained new skills and experience. If you're new to adult social care, then an Apprenticeship is one of the best ways to get into the sector and start your career.

You'll work alongside experienced staff and learn the skills and knowledge required for you to be a skilled and confident worker.

As an Apprentice you will be supporting adults with learning disabilities, mental health disorders and complex needs in a residential care environment, providing a high standard of care and support.

Key Responsibilities

- Deliver high quality personal care following the care plan and individual resident wishes to ensure their comfort and dignity of each resident
- Delivery of care that is of high quality and maintains the dignity and well-being of residents
- Understand the importance of privacy, dignity, choice and consent and uphold these basic rights at all times
- Contribute to the individualised person centred care planning process of each resident and recording appropriate interactions and observations
- Complete all regulatory and statutory training requirements and comply with all company policy and procedures whilst at work
- Carry out responsibilities for residents ensuring that residents receive one to one quality care when on duty

Weekly summary emails

- Parents can sign up to receive weekly summary emails
- This summary will show you any shortlists your child may have made on the Unifrog platform
- It will also detail any interactions logged against your child, such as Careers Fairs taking place or careers interviews coming up

GDPR

GDPR is a regulation in EU law on data protection and privacy for everyone within the European Union and the European Economic Area.

Unifrog takes data security very seriously, and as such, has several features in place to protect school and student data.

We only use EU data centres, have multiple firewalls, layered-access security and more. Information on this can be found at unifrog.org/about#security

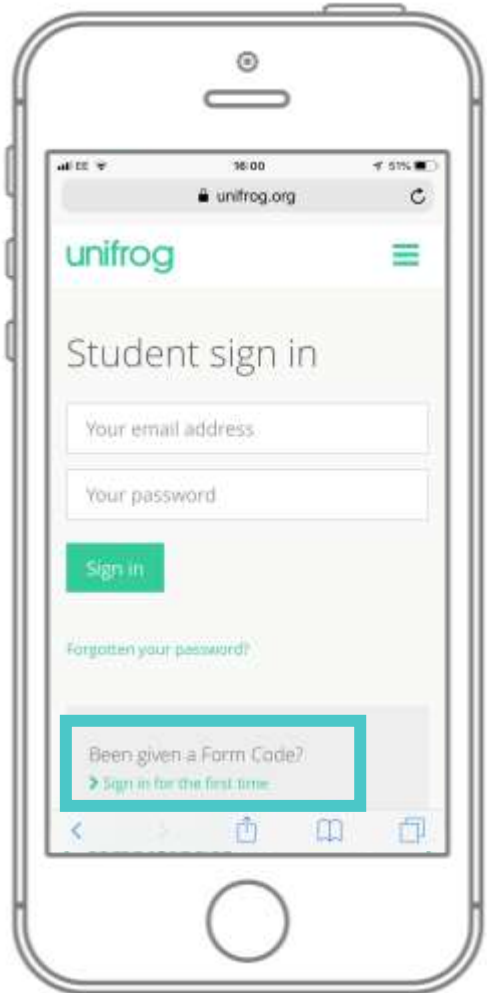

Other cool stuff

The Unifrog platform contains so much more than what we can show you today, that was just four of their many tools.

So why not see for yourself? Sign up as a student and access the tools in exactly the same way that the students do.

You never know, there might be a new career just around the corner!

Parents & guardians, get signed up!

Scan this QR code or go to

www.unifrog.org/student and click 'Sign in

for the first time'

You'll be asked for some details and a Sign up Code. This is what you need:

CNCSParent

After signing up, log into Unifrog using your email address and password via the student sign-in page!
