Dear Student

We look forward to welcoming you back during the week commencing 8 March. This has been an incredibly challenging year for you and your families and we hope that life will begin to resume some form of normality over the coming months.

As a school we are eager to support you in your return to classroom learning and your tutor is pivotal in helping you navigate your sixth form journey and transition post-18. We will be returning to providing you with a full sixth form tutorial programme which is part of your sixth form curriculum and entitlement.

We are excited by the pastoral programme we will be sharing with you over the coming months, which will include topics on:

- Healthy lifestyles
- Self-awareness
- Mental health and emotional wellbeing
- Managing risk and personal safety
- Positive relationships
- Destinations and pathways - Apprenticeships and University support
- Employment concerns, rights and responsibilities
- Financial Literacy and Student Finance

Tutor sessions will take place at 12:10 to 12:40 on a Monday, Wednesday, Thursday and Friday which you **must attend if in school or attend remotely if you do not have a lesson**. If you have an afternoon lesson and you are **travelling to school** you will need to access the recorded tutorial session independently. Please be aware that there have been some tutorial changes in Year 12 to enable students to access their full pastoral entitlement. Miss McHugh will share tutorial information and expectations in assembly.

As young adults all of these topics should be of interest to you and we look forward to your full participation.

Yours faithfully

Miss McHugh
