Dear Student

Re: Year 13 Examination Results

Just a reminder, you will have already received a letter regarding the arrangements for the collection of your results on Tuesday 10 August between 9.00am and 11.00am. We look forward to welcoming you back onto the school site.

On results day, please bring with you your UCAS details and contact details for your chosen universities. This will help with confirming your place, should UCAS Track have not updated. **Results which are not collected will be posted that afternoon.**

For students who have applied to university, UCAS Track will be available to check from 8am on Tuesday 10 August. In preparation for results day we suggest you take a look at the UCAS website, <https://www.ucas.com/undergraduate/results-confirmation-and-clearing/ucas-undergraduate-result>

For those looking forward to entering Higher Education, if you receive grades that meet the conditions of the offer from your firm choice of university, then your place is secured and your track will show it as **Unconditional** - this means your place has been confirmed and the university will be in touch regarding next steps.

If your grades do not meet the conditions of your firm choice, the following outcomes could apply:

- Your firm choice could show flexibility and confirm your place, even though your grades are lower than the conditions initially set out. We can help you check this on results day and offer support in contacting the university.
- If your firm choice does not accept you but you have met the grades for your insurance then your **insurance choice is confirmed.**
- If neither your firm or insurance accept you, then you are eligible for **'clearing'** – further details on clearing can be found at:

<https://www.ucas.com/undergraduate/results-confirmation-and-clearing/what-clearing>

With the cap lifted on university places there are likely to be some very attractive offers available during 'clearing' so please do not panic if you find yourself in this situation. **Advice and assistance will be available in school on Tuesday 10 August and Wednesday 11 August during the morning,** for any students who have not obtained their required grades for entry to Higher Education.

There may be some students who have received higher grades than their university choice require, who may now wish to apply for a course requiring higher grades. Students can look at alternative universities using a process referred to as **adjustment**:

<https://www.ucas.com/ucas/undergraduate/apply-and-track/results/ucas-adjustment-if-youve-done-better-expected>

We will be here to offer advice and guidance on finding the best fit for students who wish to apply for this.

We look forward to seeing you on results day and wish you all the very best.

Yours faithfully
