Dear Parent or Carer

Re: After school small group tuition

We hope you and your family are well at this time.

We wanted to make you aware that we are offering your child additional opportunities for afterschool intervention, which will begin after school following Period 6 for a select group of students. Your child has been selected to attend **Period 7 every Wednesday**. Your child has been identified as someone who would benefit from these small group tutoring sessions. This is a great opportunity for your child to receive additional, personalised teaching support to help consolidate their subject knowledge and skills. This should also help improve their confidence in approaching assessments and examinations. Students who are part of the programme, will receive subject teacher tuition in small groups and also access independent study skill development supported by the leadership team.

Students will finish period 6 at approx. 4.10pm they will be provided with drinks and food before beginning period 7. This will run from 4.30pm to 5.30pm.

We ask that parents make arrangements for their child's safe transportation home from school.

If you would like your child to take advantage of this opportunity and can ensure that your child will attend the sessions, please complete the forms link below:
