Dear Parent/Carer

## Re: Year 13 Mock Results

We hope that you are well at this time.

In this pack you will find a copy of your child's recent Year 13 Mock Examination results. For each subject taken at KS5 we have included the following information:

- **Mock result:** This is the graded outcome from the mock result. It is based on internal grade boundaries and may combine both practical and examined content.
- **Teacher forecast:** This is the forecast result for your child's achievement at the end of year 13. It is not a centre assessed grade, but an indication of the result your child might receive 13 if they continued in the same trajectory for the rest of the year.
- **Aim High Target:** This is an aspirational target produced by an external company based on statistical data for your child.

Subjects that did not complete a mock examination will be provided with a '**Working at Grade**' based on their current performance. Mock results and teacher forecasts have also been decimalised to show their position within the grade e.g. A:1 to A:3. Please find the overview below:

- 1: High achieving grade
- 2: Secure grade
- 3: Low grade

You will also receive correspondence surrounding our upcoming Year 13 Parents' Evening that will take place on Thursday 14<sup>th</sup> December 2023. Please ensure that arrangements are made so that you can attend with your child. This will be a crucial opportunity to discuss the recent results and next steps.

Further information surrounding next steps and interventions be communicated in the upcoming weeks.
