November 2023

Dear Parent/Carer

## Re: Year 11 Mock Results

We hope that you are well at this time.

In this pack you will find a copy of your child's recent Year 11 Mock Examination results along with a teacher forecast grade for each subject that they study.

- **Mock result:** This is the graded outcome from the mock result – it is based on internal grade boundaries. This grade has a decimal point with it, which indicates how close your child was to the next grade boundary. For example, 4.9 indicates that the student was very close to getting a 5 and 4.0 indicates they were close to the 3/4 boundary.
- **Teacher forecast:** This is the forecast result for your child's achievement at the end of year 11. This is an indication of the result your child might receive at the end of year 11 if they continue working in the same way.
- **Aim High Target:** This is an aspirational target produced by an external company based on statistical data for your child.

Subjects that did not complete a mock examination will have a teacher forecast grade only based on their current performance.

We are now within 18 school weeks of the real exams beginning. It is crucial that students are making the most of their time in lessons, during period 6 and 7 sessions and Saturday school. If you are interested in your child receiving small group support on Saturday morning or period 7, please do not hesitate to contact us.

We thank you for your continued support with attendance to period 6 sessions.

The next and final set of mock exams will begin on Monday 5<sup>th</sup> February. Students should now be looking over the weak topics from their mocks and improving on them. Full details for the February mock exams will be released after Christmas.

If you have any questions please contact Miss Oakman by [hannah.oakman@cncs.school](mailto:hannah.oakman@cncs.school)

Yours faithfully

Miss H Oakman  
Head of year 11

Ms E O'Connor  
Headteacher
