## PE & Sport Bulletin

The Year 7 boys came in to this fixture with Bishop Ullathorne with a point to prove after loosing 3-2 in a friendly to Finham park which Mr Wilson rotated 2 different teams. The game started off very cagey with both teams trying to suss each other out and the first half was very end to end. We started the game very brightly and with a deep freekick from Vincent Crowley, the ball was tapped in by Ryan Finn only to be ruled out as offside. Both teams defended pretty well after this with BU having the better of the chances but we held on to in to half time at 0-0. Bishop Ullathorne came out quick the second half and the pressure was relentless. They should have been 1-0 up straight away if it weren't for Caelan McCourt who produced an outstanding double save. This along with many other saves earnt him MOTM. Bishops quality then started to show and quickly we conceded 4 goals. We ended up getting a late consolation goal from Ashton Hill who got on the end of a Vincent Crowley long ball. The lads put in an excellent effort and can hold their heads high. We go again next week with a friendly against Ernesford Grange Academy.

# 7APP – Miss Philip

Meeting my tutor group everyday in the morning is one of the best ways to start my day. They are a very cheerful and chirpy group who are ready to engage in all the activities set. They work well together and treat each other as family. The best part for them is to have a go at me as I frantically open the door on the days they are at the door before me!

## ***Shihon***

I've experienced a lot at Cardinal Newman. As a year 7 lots of opportunities have been flowing in like assemblies, experiments and loads of hard work. In my opinion Cardinal Newman has been very fair and the rules are simple but effective. I love that it is a democratic school letting us vote for the things we want.

My tutor group has been amazing. I have made a lot of new friends and I have learnt a lot. Overall, I am very satisfied and I hope all the parents/carers are too.

# 7APT – Mrs Panait

Together with my form, we have had an amazing start of year 7! We are developing our teamwork skills, we are compassionate towards each other and always helpful.

I have had a very positive experience so far and by the looks of it, it will only get better! We are working hard to become the best year 7 form and we value the contribution of each member of our team, always showing respect and integrity in all we do.

I am very proud of you all!

## Students' experience

The start of year 7 has been a rewarding journey! We have enjoyed the form activities, lessons and the new environment. At times, we find it quite a challenge to remember where we need to be, but we are becoming more confident every day!

We enjoy the clubs and enrichment

opportunities provided, and we are excited to share new ideas that will benefit the whole school.

Winning the best improved attendance award and receiving a lot of ASPIRE points make us want to become better by the day and we know that we can count of each other to achieve our goal!

# 7CTN – Miss Thompson

We have had a great start to the beginning of Year 7. It has been a pleasure getting to know the group and seeing them gradually becoming more confident in school and starting to develop their friendship groups to include new students. It has been lovely to see them starting to get to grips with new subjects and beginning their learning journeys at CNCS.

Talking to Amara she told me how much she is enjoying school. She enjoys arriving early and coming up to the tutor room for a chat and to help doing any small jobs I might have. She was also thrilled to have been appointed a "Student Ambassador". It's been great seeing students joining in whole school initiatives.

Ellie, Lola and Tadiwa said how much they enjoyed going on the Bushcraft Adventure.

Jeffrey and Tadiwa have been enjoying playing Chess on a Monday lunchtime. Lots of the students are looking forward to the FIFA 24 Tournament .

# 7EHS – Miss Hawkins

7EHS has made a fantastic start to school this term and it has been an absolute pleasure to watch them grow during the first few weeks of school. Their high energy in the mornings contributes to some fantastic talking point discussions and students have formed strong friendships within our tutor which is incredible to see. My highlight so far for this term would be being rescued by students on our bushcraft trip, which was very funny and a lot of fun!

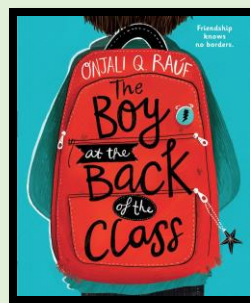

I look forward to seeing them continue to grow over the coming year!

## Student Voice

'I'm a new student here at Cardinal Newman as I have come up from Holy Family, but already in the 7 weeks I've been here I've loved it and all the opportunities I have been given like all the afterschool sports and the residential trip, but my favourite part so far was playing for the school football team. I have made a lot of new friends and we all played really well. I cannot wait for more opportunities throughout my time here at Cardinal Newman' -  
Senan

'The fun thing this term is when I joined the school football team and I was really happy about it and so were all my friends in school. I played my first match; I didn't score but that is fine. We did not win sadly losing 3-2 to Finham park. The two scorers of our team were Harvey and Ryan. We were in the lead but Finham, park came back and scored a goal' -King

# 7HCL – Mr Chahal

My experience a year 7 tutor at Cardinal Newman has been incredibly rewarding. Working with my tutor group has been a joy, as their enthusiasm for learning is truly contagious. I've had the privilege of watching them grow academically and personally this term, and it's been wonderful to witness their progress. Building strong relationship with my students and helping them navigate the challenge of their first year of secondary school has been a fulfilling journey. It's a pleasure to guide them to their educational path and contribute to their academic success and personal development.

I'm really enjoying Cardinal Newman because of the food, supplies and staff. My favourite member of the staff would probably be Helena because she came in and helped me when I broke my shoes. I have enjoyed playing football with my friends. Now that I'm in secondary school it felt so easy to make new friends.

My favourite subject is drama and music. They just make me feel relaxed. There are more things that I enjoy but it would take forever to list.

I have really enjoyed getting to know my tutor group this term. They have been brilliant, especially this term starting a new school. I look forward to seeing them mature over the years and become responsible young adults.

8 weeks at Cardinal Newman is wonderful. People are really caring and helpful towards others. Teachers are really amazing and I am happy to have a place at this school. Teachers are the best at this school. We get to do many experiments and many things to help us learn. Also 5 weeks into the school we had our lovely bushcraft trip. This was a very nice time and got to know others aswell. Tutor time helps everyone out and starts off our day positively. Overall, I think it's wonderful and happy to have a place here.

7RAB has had a brilliant start to the new academic year and have now settled into life at Cardinal Newman. We have been working hard and enjoying our pastoral programme, with many students leading on programmes in tutor time. The whole class have been fantastic at listening, learning and respecting each other's opinions and ideas. It was wonderful to spend the afternoon together for our feast day celebrations and the students really enjoyed learning all about the life of Saint John Henry Newman. **Mrs Abbott**

## 7RAB Tutor Experiences

At the start of the year my feelings were mixed. I was nervous, excited but ready to take on new challenges. My experiences in year 7 so far have been a good. I have really enjoyed being in Science lessons and learning to use the Bunsen burner. I hope to continue to challenge myself and thrive in my learning. **Kayleigh**

Already in Year 7 we have had so many amazing opportunities. We have been able to take part in student council, football, cross country, bush craft trip and much more. We have had a great start to year 7 and our lessons have been very enjoyable, particularly PE. Cardinal Newman has given us so many chances to make new friends and mix with many new people.

**Hannie and Eva**

At the start of the year, I felt nervous about going into secondary school. However, with help (from my sisters), I feel much better now. I take part in the speed chess inter tutor competition every week and I am a student council representative for my tutor group. **George**
