Dear Parent/Carer

Re: Year 12 Assessments

We wish to inform you about the forthcoming assessments that will take place during week beginning Monday 19th April 2021.

All assessments will take place within lessons under examination conditions. The purpose is to provide examination practise for your child and an opportunity for a formal summative assessment to take place. This will help your child and their teacher identify areas of strength and areas for improvement. Your child has been provided with an assessment booklet to help guide their revision preparation.

As you may be aware, with reformed A levels and BTECs, examinations are much more significant. The majority of courses are examined in full at the end of two years. We have therefore planned regular opportunities for your child to practise and refine their examination technique.

The schedule for the assessments is as follows:

	AM	PM

In this important year of study, it is essential that all students keep up to date with independent study through homework and revision. As a guide, all students should be completing 5 hours of homework for each subject every week. All homework is published on Microsoft Teams or Class Charts.

Should you have any concern about your child's progress, motivation or well-being, please do not hesitate to email our Head of Sixth Form Miss McHugh at: sarah.mchugh@cncs.school or telephone on the above number.

Yours faithfully
