April 2021

Dear Parent/Carer

As part of the government's plan to limit the transmission of COVID-19 students will be issued with their home testing kits to continue regular testing at home. Students have watched a video explaining how the test is administered at home and this video can be accessed via the link below:

<https://tinyurl.com/yuca7zbi>

Year 12 and 13 students will be issued with a test kit including 6 tests, which we suggest should be completed on the following days:

- Friday 30th April
- Monday 3rd May
- Friday 7th May
- Monday 10th May
- Friday 14th May
- Monday 17th May

Included in the testing kit are instructions on how to administer along with a swab, testing kit, extraction tube and solution. The instructions also advise on how to upload your results. We encourage parents to support the national monitoring of the virus and upload their results using this link: www.gov.uk/report-covid19-result or by calling 119 as directed with the instructions. If a test result returns positive, you must inform the school as soon as possible.

Should you have any questions, please do not hesitate to contact us via email address admin@cncs.school As with the in-school testing, this is a voluntary undertaking and not compulsory.

Yours faithfully

Ms E O'Connor
Headteacher

Mrs T Boland
Chair of the Local Governing Body
