Dear Parent/Carer

## School Uniform Policy

We hope you and your family are well at this time.

We are writing to you to advise that after working together with the student council we are trialling for a period of time a change in uniform expectations and permitting a single small stud in each ear.

The student council have voted for this change and during the trial period we will monitor students and their compliance with the change.

Should this prove to be successful, we will present the request to change the policy to the Local Governing Body on 5 March 2024

Please encourage your child to support this change and only wear the single stud which is the only jewellery permitted.

Thank you for your support and we will update you after half term.

Yours faithfully

**Ms E O'Connor**  
Headteacher

**Mrs T Boland**  
Chair of Governors
