Dear Parent/Carer

Your Child has been specially selected to access a bespoke Science GCSE revision session taking place on school inset day Monday 19th February 2024. The session is being delivered by an external revision company; Pet Xi and your child has been specifically selected in order to support them in achieving their target grade.

Students in Year 11 benefitted from sessions by Pet Xi last year in preparation for their GCSE science exams, and the feedback was extremely positive.

There is a cost that the school is covering and therefore please do not indicate yes unless your child is definitely attending the session as this will allow the opportunity for other students to access the session.

The session will be on Monday 19th February (school inset day) from 9.30am-3.00pm, Pizza and refreshments will be provided.

Please complete the Forms link as soon as possible to confirm consent for your child's attendance or contact the school on 024 76 332 382.

Yours Faithfully

Ms E O'Connor
Headteacher
