Dear Parents

## **Dedicated School Transport Service**

Further to our recent communication regarding changes to the dedicated school bus service, we would like to advise you of the following.

The shared service between Coundon Court and Cardinal Newman is a 'closed route'. There are limited places available and students will not be able to access this service without a school issued bus pass. Please see route below.

Bus passes will be issued termly and will cost £108 per term.

If you would like to apply for a place on this bus, please use the link below to register, or contact the school.

We cannot guarantee that every applicant will receive a place due to the significant reduction of service across the city.

Yours faithfully

**Ms E O'Connor**
