HEADTEACHER'S MESSAGE

Dear Parent/Carers

We hope you are all well and looking forward to the half term break.

It has been a short half term (5 weeks), however, we have managed to have a full enrichment calendar and students have benefitted from a wide variety of opportunities including:

- Loudmouth Theatre
 - Creative Kindness
- Holocaust witness speakers
- Fantastic Mental Health Week with Positive Young Minds

We are very proud of our student council who have requested consideration for a change in uniform. They have requested permission to wear small single studs in their ears. We are trialing this for the next few weeks. Overall, the students have been very good and have been working within the guidance. The Local Governing Body will make a final decision on 5th March 2024. We will update you of the outcome.

Students return to school on the 20th February and we will launch our charity drives during lent.

Our Parent Council meeting is scheduled for 28th February, if you would be interested in joining please email: carmel.keane@cncs.school

We wish all our families a safe and happy half term.

STUDENT LEADERSHIP

Our student leaders have been working hard to make changes within our school.

Our student council representatives recently voted on whether students should be able to wear small studded earrings. They met with Ms O'Connor on Friday 26th January and discussed the rules surrounding it. It was unanimously carried over, meaning that we will trial this rule change for the next five weeks. If students can successfully follow the new expectations, then it will be discussed further at the next Governors meeting and decided upon whether the rule change can be permanently implemented.

Our new form representatives have been recently decided upon for the Spring term. They have begun their roles, such as talking points leaders, pastoral book monitors and sports reps.

Our cultural diversity representatives are busy planning for our upcoming Culture Day in March. More to follow.

ALUMNI

CALLING ALL FORMER STUDENTS

If you are a former student of Cardinal Newman, we want to hear from you!

Your experiences since leaving school could help to motivate and inspire our current students to feel more confident in making decisions about their future. We'd love you to join our Alumni network and stay connected with the school.

You can choose when and how to help, such as through attending careers events, support with work experience placements, mock interviews, careers assemblies and many more.

We are also looking for past students to join a smaller steering group to support in planning future events.

Year 7 – Mr Poole

Happy new year!

We are all very proud of Year 7 and their attitude to school and learning since their return from the Christmas break. Students have been working hard in lessons, and are now preparing for their Spring assessments, which are due to start in the second week back after the February half term. Booklets have been handed out to all students, which should have made their way home to use as a revision tool, to fully prepare for these assessments.

Please remember, if you have any questions or concerns, then please contact your child's tutor or myself and Mrs Perkins, have a great half term break, and remember Year 7 – you are all made for greatness!

Valentines Roses

Then Year 11's are here to help:

They will be selling single roses outside WA Block Friday 2nd, Monday 6th, Tuesday 7th, Wednesday 8th February at break/lunch time for £1.

You can add a message with the rose or just send a rose with no message, you can either add your name or make it anonymous.

These then will get delivered the following week at Tutor Time.

Would you like to gift someone a Rose for valentines day?

- To make someone smile.
- Show them kindness, appreciation.
- Friendship.
- Make someone feel special.
- Random act of kindness.

All profit from the sale of the roses will go towards this years prom.

Year 10 – Mr Abbott

Welcome back and Happy New Year!

During this half-term, students have already been very busy completing their speaking English assessments. The feedback from Miss Aston (Head of English) has been very positive, and the students done extremely well on topics that interest them. Well Done!

The next round of English mocks are just around the corner. This will take place in the morning of Thursday 8th February. Students have received their revision booklets already in assembly and are expected to revise. Students are advised to be revising a minimum of 2/3 hours per day. Please support your child in ensuring they are revising at home. Attendance over the mock exam season will be vital.

CATHOLIC LIFE

Chaplaincy @CNCS

Chaplaincy Reps

Alfie the Lay chaplain has been doing some training with our Tutor Chaplaincy reps. We are teaching them how to maintaining their own prayer spaces in their tutor rooms and taking a lead on prayer during tutor time. We are doing this to prepare for Lent and the focus that Pope Francis has called upon the worldwide Church to make this the 'Year of Prayer'.

A photo of a prayer space made by one of the students.

Year 8 Masses

We are working with our Priest Chaplain Fr Pat to have masses with year 8 classes as they are currently focusing on the mass in their RE lessons. We are hoping that they will be able to use this special mass to deepen their understanding of the mass.

Photos of students taking action against the refugee crisis

Refugee Action

As part of our Live Simply award CNCS has ran a series of sessions with various classes getting them involved in campaign action. Focusing on the Refugee crisis we have been educating about the problems with the Refugee crisis within the UK asking students to take action in writing letters to the government to show their opinions.

Lourdes Group

We have 20 students and 5 staff attending the Diocesan Pilgrimage to Lourdes this year! We will be out and about trying to fundraise as much as possible to help get us to the Grotto! If you can help in anyway please let us know.

Year 11– Duke of Edinburgh

Congratulations to our Year 11 students who recently passed their Bronze Duke of Edinburgh award. Students have worked hard over the past 9 months, completing their skills, physical and volunteering sections. On the weekend of the 7th July 2023, students also participated in the expedition element of the award, walking from Warwick University to Hatton, camping and cooking their own food, students then walked back the next day.

CONGRATULATIONS to those students who passed!

Year 11– Miss H Oakman

Mock Exams

Mock exams are due to start 5th February 2024. The students will receive their revision booklets in Assembly this coming Friday. Students are advised to be revising a minimum of 2/3 hours per day. All homework during the mock season will be tailored towards revision. The students have been instructed during lessons this week on how to revise for each subject. Please support your child in ensuring they are revising at home. Attendance over the mock exam season will be vital.

On Monday 22nd January, The Loudmouth Theatre company visited school. Students observed an hour dramatic performance that focused on severe key issues such as abuse. Each student then participated in a 30-minute workshop where they discussed the issues raised in the play. All students were fantastic and there was powerful discussions that we will continue to build on in our pastoral programme. Students discussed concepts surrounding misogyny and control in relationships.

Social Time – Mr Wilson

Over the past term, the sixth form volunteer team have been doing an excellent job in running a whole school FIFA tournament. The final which was held in the CDT theatre saw Y7s Kai B and Joshua M take on the Y8 pair of Calvin D and Briton D. It was a thrilling encounter and all students who came to support enjoyed the game. A big well done goes to Calvin D and Briton D who can now crown themselves champions of CNCS.

PSHE

<https://www.childrensmen talhealthweek.org.uk/families/>

Children's Mental Health Week is a mental health awareness week that empowers, equips and gives a voice to all children and young people in the UK. As a school, we will be taking part to raise awareness of children's mental health and around this year's theme of 'My Voice Matters'.

During this week, students will have assemblies, PSHE lessons and an external talk on a range of different topics around children's mental health such as internet safety, National Day of Zero Tolerance of FGM and Safeguarding.

Check out some 'TOP TIPS' below to support parents/carers who want to talk to their child about mental health.

Are you a parent or carer who wants to talk to your child about mental health?

Here's what children and young people told us they need from you:

- ① We don't need to have 'one-off conversations about our mental health' – sometimes a chat on a journey or at bedtime is enough.
- ② I need to know it's okay to talk to you about any and all of my feelings. Please hear what I have to say, without interrupting me.
- ③ Please listen to me carefully and acknowledge how I am feeling – it might seem silly to you but what I am going through is important to me.
- ④ Playing with pets can make me feel better. Same with playing football, basketball or whatever type of sport I am into.
- ⑤ Don't compare my experiences to your own when you were a child.
- ⑥ Sometimes I just need you to listen and hear what I'm saying – I don't always need answers (or lectures)
- ⑦ Please don't worry about trying to fix things for me – I often just need to know you are there for me and understand what I am going through.
- ⑧ If you are open with me about your feelings, this can help me to be more open about mine.
- ⑨ Sometimes I don't want to talk. Please trust that I will come to you (or another grown-up or someone my own age) when I'm ready. Sometimes it's easier for me to talk to someone nearer my own age – my siblings, cousins, friends, younger teachers at school - because they 'get it'.
- ⑩ Sometimes a hug is all it takes to make me feel supported.

WHAT MATTERS TO YOU? CREATIVE VIDEO ACTIVITIES FOR FAMILIES

These wellbeing activities can help children and young people think about and share what matters to them.

TALKING POINTS

Each fortnight, during tutor time, students are given a current topic to debate and discuss. At the end of the session students also vote on the topic. The most recent talking point was: **Should Primary Schools teach students to brush their teeth?**

Students discussed the topic as a group and looked at the evidence for both sides of the argument. The results can be found below.

It also gave students time to consider their own oral health and the impacts of not having good oral hygiene.

More help and guidance is detailed below.

The results:

	Yes	No
Year 7-9 results	40%	60%
Year 10 to Post 16 results	71%	29%

The Wonderful World of English

Word of the month: Intentional

adjective

done on purpose; deliberate.

To be **Intentional** means making deliberate choices to reflect what is most important to us. Becoming intentional can help us maintain a positive mindset, reach goals, experience more clarity, and be more present. It can also increase our focus and commitment and bring more purpose and meaning to our lives.

Congratulations Year 10!

A huge well done to our Year 10 students for completing their **Speaking and Listening Language GCSE** endorsement! We appreciated your preparation and research, variety of topics and interests, as well as presentation!

Topics ranged from: space, social media impacts on teenagers' lives, global warming, society's implied bias on living environment, stereotyping, so on, proving the engagement and hard work that went into preparing for this!

Year 7 Netball

The year 7 netball team have braved some very bad weather this term!

The year 7's are flying in their netball league. Unbeaten so far, and most recent results are a 2-0 win against Finham man of the match Hannie and a massive 8-0 win against Foxford man of the match Coragh.

These were huge results without our shooting duo Konnie and Kyla, Hannie and Coragh stepped up to shoot!

Final matches before the tournament coming up!

Year 8 have league matches starting this week and flowing into next term! We wish them all the best!

Key dates:

5th February – Year 10 Tournament at Bablake

7th February – Year 7&8 league night at home

29th February – Year 8 Tournament at Finham

7th March – Year 7 Tournament at CNCS

The KS3 girl football team played very well narrowly losing to a strong Wood Green team in the last 16 of the Coventry Cup. This team have come on from strength to strength and look forward to seeing their progression next year!

SEND INFORMATION

If your child is on our SEND register, they have an updated Learning Plan for this academic year.

You should have received a code to access Edukey, this system enables staff to have plans that are live. The code provides parents with the opportunity to review plans at any time. Other opportunities to review these plans are provided via appointments with the SENCO or Provisions manager at parents evening and at designated year group coffee mornings and twilight sessions. The Year 7 Twilight session was held on January 24th. Once your child's plan is reviewed and updated it is shared with your child's subject teachers.

Who do you contact if you have concerns?

Remember your first contact is with your child's tutor, this is the best persons as they check in with your child four times a week. You can also contact year leaders and if there is a query that requires SEND expertise then you can contact the SEND team. Quite often we will need time to gather further information with the class teachers and professionals. This is part of the Graduated Approach in the SEN Code of Practice. This typically takes around 2-4 weeks. We can then plan next steps for your child. Sometimes this means they go onto the SEND Register. Sometimes it means that they continue to be monitored and we continue to review their needs. To discuss assessment of needs or a new diagnosis contact:

Helen.Ruddy@cncs.school - SENCO

Lydia.Norman@cncs.school- Assistant SENCO

Julie.Helliwell@cncs.school - SEND Provisions Manager

Remember that details of our school SEND offer can be found on the website in the SEND information report. <https://www.cncs.school/attachments/download.asp?file=1315>

Unifrog - what character are you?!

Have you taken the Personality Quiz on Unifrog?

It will tell you whether you are a Dreamer; a Helper; a Thinker or a Doer! And then it will highlight career pathways that suit you. We all have some of these characteristics, however Unifrog tell us which one of these comes across as the strongest one. This is a fun quiz – not set in stone – but a great way to get an *indication* of the type of career paths that suit you.

Careers Library – Unifrog

Some of you may know *what* you want to do but unsure of the journey to get there – Year 9 may say 'what subjects do I focus on for my option choices?' for example. Take a look in the Careers library – scroll all the way down to see the various ways to search.

Log into **Unifrog** using your school email and your own password – who know what you may discover!

Year 11 – Applications Post 16.

Miss Brennan has been following up her initial appointments with Year 11 and is delighted at how pro-active they have been in the respect of applying to their Post 16 destinations. A huge well done!

Miss Brennan is always here for support and advice – any query however small it seems, please go and see her. She would prefer that than you being unsure/stuck!. She is in CA07.

Year 13 – NGTU

Those students 'Not going to Uni' and embarking on Apprenticeships. Miss Brennan is here to support you – please contact her via email marie.brennan@cncs.school or drop by to CA07 – you will be made welcome!

WELFARE & SUPPORT

Are you in need of support?

<https://www.coventry.gov.uk/benefits-1/free-school-meals>

If you think that your child might be entitled to receive a free school meal, but you are not currently in receipt of one, please contact us on welfare@cncs.school and we will see what we can do to support you during this challenging period.

Equally, if you are struggling financially and need help with uniform or resources, please contact us on the same email, welfare@cncs.school.

Unwanted School Uniform – Donations Needed

We are always grateful for any donations of old school uniform. There are three big recycle bins by the main reception where you can drop off any unwanted school uniform which can then be recycled. These three bins all have brightly coloured lids.

Mrs Tabram manages our school uniform and will arrange for any uniform donations to be cleaned and reused. She will then distribute these items as and when required amongst the school community.

SPOTLIGHT ON SAFEGUARDING

Working together to keep our young people safe

FEBRUARY 2024 | SECONDARY

Mental Health: We all have it!

As we approach Children's Mental Health Week, it's a great opportunity to take stock of our children's well-being. Mental health should be treated with the same level of importance as physical health. We all possess it, and it is our responsibility to care for it. This involves being able to identify when something isn't quite right, as well as implementing preventative measures to ensure our children's mental health is in good condition.

In this month's issue:

- Spotting the signs of poor mental health
- How to support mental health
- Support: Kooth | Young Minds

RECOGNISING THE SIGNS THAT YOUR CHILD MIGHT BE STRUGGLING WITH THEIR MENTAL HEALTH

Change in academic behaviour

Has their response to school or school work changed? They may be reluctant to go to school or to engage in school work or related activities.

Change in behaviour

Have you noticed any recent changes in your child's behaviour? This could shift in mood, altered reactions to others, or the quality of their relationships beginning to decline.

Poor sleep

Are you noticing differences in their sleep patterns? Perhaps they are having difficulty falling asleep or waking up frequently throughout the night.

Changes in social habits

Has there been a change in the way your child socialises? They may be avoiding social situations with friends or family.

Understanding Depression and Anxiety in Children

Depression and anxiety are the most commonly recognised mental health conditions and often go hand in hand, with anxiety being a symptom of depression. Although symptoms vary from child to child, there are some common features. If you believe your child is experiencing any of these, the first step is to schedule an appointment with their GP. In addition, reaching out to the school is crucial as there are many resources available to provide support.

Signs of depression and anxiety

Depression

- » Sadness or low mood that is present more than not
- » Little interest in the things they used to enjoy
- » Exhaustion all of the time
- » Talking about feeling worthless
- » Having suicidal thoughts or self-harm

Anxiety

- » Finding it hard to concentrate
- » Not sleeping or night waking
- » Not wanting to eat
- » Getting angry or irritable
- » Constantly worrying or having negative thoughts
- » Complaining of feeling unwell
