HEADTEACHER'S MESSAGE

March 2024

Dear Parent/Carer

We hope you and your family are well at this time.

It has been a busy term and we encourage you to look out for the newsletter which celebrates some of the highlights and student successes.

We hope you are looking forward to the Easter break and spending some time with family and friends.

When we return (Monday 8 April 2024) we hope to be able to share the final Ofsted report. I would like to acknowledge the students who behaved exceptionally throughout. We are incredibly proud of them. I would also like to express my gratitude to our staff who navigated what is a stressful situation and ensured that the school was seen in its best light.

The school has a busy time over the holiday with additional classes for Years 10, 11 and 13 as they prepare for their examinations.

We would like to take this opportunity to inform you that we will be increasing the daily meal limit from £5 to £6 from the start of the summer term.

We would like to wish all of our students and their families a happy Easter and look forward to the return of school on Monday 8 April 2024.

Yours faithfully

Ms E O'Connor
Headteacher

Welcome to all parents and carers of Year 7! Firstly, we all want to share how grateful we are for your continued support, and hard work in promoting high attendance and positive behaviour across Year 7. This has been a short, but very successful term for Year 7.

We have undertaken our second round of termly assessments, students attended ARYPT trip, and there is a theatre performance trip coming up soon, not to mention the ski trip taking place in the 2024 - 2025 academic year.

Thank you again, and have a restful Easter break.

Year 10 – Mr Abbott

It's been another busy half-term for our fantastic Year 10 students. We've had assessments across their GCSE option choices as well as completing the second mock exam for English. We need support from parents/carers to encourage the students to keep attending the Period 6 English interventions sessions on a Thursday after-school (Week 1) 3:10pm-4pm. This has been well attending since the academic year and has had a positive impact on the students progress in English. I wish you and your families a restful Easter break.

Easter Break – The 2-grade break

Why is Easter called the 2-grade break?...Because it can make 2 grades difference dependent on how you treat it!

If you are on a grade 6 right now and you do no work over Easter, you will come back a grade 5 as there are lots of things you will forget if you don't practise them.

If you are on a grade 6 now and you do lots of work over Easter, you can consolidate the things you know and learn even more. You might come back as a grade 7.

After Easter there are only four weeks until the exams begin. Once the exams finish, you will have a 10-week summer break! Plenty of time to rest then but until then you need to be working!

Futurum incipit hodie non cras- 'The future starts today not tomorrow'

It's been another busy half-term for our fantastic Post 16 students. Y13 have completed their mocks and Y12 are currently completing their Spring Assessments. We have had a busy few weeks with trips to Shrewsbury Prison, RE Lectures at the Cathedral and Student Finance Evening taking place. There is only 6 weeks until the first exam for our Year 13 students so attendance to revision sessions is important right now. I wish you and your families a restful Easter break.

Congratulations to all of our amazing students during the recent OFSTED visit. You truly are made for greatness!

Thank you to all those who attended the Student Finance Evening. Students found it extremely informative and can apply from Monday 11th March. Please see the sixth form team if you need more information.

Year 13 have received their mock results now and are currently discussing them with their teachers. The sixth form team are working with a group of students for intervention and preparation for their exams. Students have received letters if they are part of this

PSHE

During this term, students have been learning about different topics linked to the themes of 'Living in the Wider World' as part of their PSHE curriculum during their pastoral programme each week in tutor. Please see below the themes for each year group.

Year 7 - PSHE (Developing skills and aspirations)

Year 8 - PSHE (Community and Carers)

Year 9 - PSHE (Setting goals)

Year 10 - PSHE (Financial decision making)

Year 11 - PSHE (Next steps)

Year 12/13 - PSHE (Financial Choices)

By aspirations we mean the things children and young people hope to achieve for themselves in the future. To meet their aspirations about careers, university, and further education, pupils often require good educational outcomes. Raising aspirations is therefore, often believed to incentivise improved attainment.

EMILIE LAUREN JONES

A regular visitor to CNCS Emilie Lauren Jones joined Year 8 for the entire day on Friday 26th January 2024, which started with an assembly for Year 8s where she explained what a poet laureate is, what drove her to become a poet and how she creates her poetry. The assembly ended with some very interesting and mature questions from the students with amazing answers from Emilie.

The day continued in the library where some very lucky Year 8s had the privilege of taking part in Emilie's poetry workshops which followed such forms as: ekphrastic poetry (writing based on an image), praise poetry (celebrating something underappreciated), tautogram (a poem where as many words as possible start with the same letter) and kenning poems (using a noun verb format to describe someone/something). Students were able to explore poems chosen by Emilie and then given the opportunity to create their own poems using similar devices and techniques. Students worked incredibly hard and produced amazing and wonderful poems of their own. We are extremely proud of each and every student who demonstrated their creativity and use of language. Well done Year 8!

SPOTLIGHT ON SAFEGUARDING

Working together to keep our young people safe

Secondary | March 2024

In this month's issue:

- Child-on-child abuse
- Our young people and knife crime
- App focus: WhatsApp

Understanding Child-on-Child Abuse

Child-on-child abuse refers to any inappropriate behaviour between children that is abusive in nature. This type of abuse is so named because it typically involves individuals who are similar in age or developmental stages.

Child-on-child abuse can occur either in-person or online, and it can happen anywhere – at school, in the park, or even within the confines of a child's own home via internet-connected devices. This type of abuse encompasses physical, sexual, or emotional abuse, harassment, exploitation, bullying, coercive control, and initiation rituals.

It is important to keep in mind that child-on-child abuse can cause harm to both the victim and the perpetrator. There is often a complex web of reasons why a child may engage in abusive behaviour towards another.

Spotting the signs that your child may be experiencing abuse:

- noticeable change in behaviour
- not wanting to go to school or spend social time with specific friends
- withdrawn or mood changes
- changes in the times spent online
- asking for money or giving belongings away/losing belongings

5 THINGS YOU CAN DO TO HELP YOUR CHILD STAY SAFE FROM ABUSE

HAVE A CONVERSATION WITH YOUR CHILD ABOUT STAYING SAFE IN VARIOUS ENVIRONMENTS

Children who are aware of risks and safety measures are better equipped to recognise potential abuse situations.

HAVE ACCESS TO THEIR SOCIAL MEDIA ACCOUNTS AND USE PARENTAL CONTROLS ON THEIR DEVICES

Monitor children's online activities to protect them from inappropriate behaviour such as grooming. Utilise safety features on devices and apps.

BE AWARE OF YOUR CHILD'S SOCIAL ACTIVITIES AND WHO THEY ARE SPENDING TIME WITH

Educate your child on the importance of choosing positive environments and companions. Show genuine interest in their activities and relationships.

MY BODY MY CHOICE

TEACH THEM ABOUT BODY SAFETY

Support your child in understanding boundaries regarding their body. It is crucial for them to understand the concept of consent.

PROTECTION FROM ONLINE HARM

Teach children how to stay safe in the digital world, including social media apps, group chats, and streaming sites.

COVENTRY CHILDREN'S SERVICES EARLY HELP

Family Support

How could you and your family benefit from family support?

The Supporting Families programme is designed to help your family in the difficult moments of your life. Our team of practitioners are skilled professionals and want to help your family be the best that you can be. The earlier you get help the better.

What happens if I don't want the help?

You do not have to take the support that we are offering you, this is a voluntary programme and you can tell us at any time if you no longer want the support. We aim to help you get to a successful outcome within 16 weeks.

How do I get support?

If you want to receive early help from the team, please speak to someone from your child's school, your health visitor; pre-school or nursery; or any service that is working with your family.

If you are not currently working with anyone, you can request help by visiting your local Family Hub or visit www.coventry.gov.uk/applyearlyhelp or call 0800 8870545. All help is free and confidential.

Who will help?

Your family will be allocated a Supporting Families practitioner, who will work with you to find the help and support you need and bring a team of professionals that can work with your family.

How we will work with you

The help offered to each family depends on your needs. The Supporting Families practitioner will help each family to develop your own support plan. They will find out what matters to you and what you want to change. We will do this by gathering information about your family (an assessment) which will inform the plan. We will review this plan regularly with you. Your Supporting Families practitioner will be your single point of contact and they will co-ordinate your family plan and the team around your family.
