Dear Parent/Carer,

Brandon Marsh Nature Reserve Visit 27th March 2023

As part of A Level Biology, students are required to carry out 12 required practicals. We have arranged a visit Brandon Marsh Nature Reserve to carry out the final practical for year 13. This will be on sampling techniques on Monday 27th March 2023. In order to fully meet the demands of the A Level practical endorsement, we strongly recommend that students participate in this visit, they will be assessed by their normal teacher during the day.

The cost for each student attending is £17.50 which includes two sessions about sampling techniques at Brandon Marsh, transport and insurance. Voluntary contributions will be sought in order for this trip to go ahead.

Please complete the consent form below and return with payment to Student Reception in a sealed envelope marked: 'Brandon Marsh Visit' by 13th March, with the students' name clearly labelled.

We will be leaving school at 9.00am, so students would need to arrive at school by the normal time of 8.40am. Transport to and from Brandon Marsh has been arranged by coach. Please ensure your child is dressed appropriately as we will be working outside and may get wet or muddy. Students also need to bring a packed lunch and drinks with them as there will not be the opportunity to buy food/drinks. We aim to return to school at approximately 3.00pm.

Yours faithfully,

Miss E Boiling

**Mrs E O'Connor
Headteacher**

REPLY SLIP

Student's Name: _____ **Tutor Group:** _____
