Dear Parent/Carers

Re: Safeguarding: Illegal Vapes

The police have asked for all schools in Coventry to share some important information with parents, carers, and students, to ensure they have awareness of the dangers of cannabis and illegal vapes.

Illegal vapes containing THC, cannabis, and other substances are a national and local concern. The vapes are resulting in some youths becoming aggressive, foaming at the mouth, having seizures, and becoming unconscious.

If your child has any of these symptoms, please call for an ambulance.

If anyone has any information regarding the sale of these vapes, please call the police in the usual manner (Live Chat or 101).

Extra information can be found on the TalktoFrank website and details of support services can be found on the Coventry City Council Website.

[Drugs and alcohol – Coventry City Council](#)

As a school, we have zero tolerance to vaping and if your child is found with a vape in their possession, they will be subject to the sanctions as outlined in our Behaviour Policy.

Please support the school in being vigilant with your child, in ensuring that they do not bring vapes onto the school site.

Yours faithfully

Ms M Goodwin
Deputy Headteacher

Ms E O'Connor
Headteacher
