Year 12 Transition to Year 13

Dear Parent/Carer,

As your son/daughter completes their first year of Post 16 studies, I would like to outline their transition into Year 13. This letter contains information about your son/daughter's next steps.

From Monday 10th until Friday 21st June Year 12 students will be completing their end of year summer examinations. These are important examinations which will demonstrate the progress your son/daughter has made in their subjects; they will also help to demonstrate that they have made sufficient progress to continue with their courses into Year 13. Can I please reiterate that there is no examination leave during this time and that all students must continue to be in full-time during this period.

Following these examinations students will move into Year 13 on Monday 24th June. We will begin the Year 13 programme of study immediately and provide the specialist support to help them in their university, apprenticeship and career applications. The School Gateway is open for those students wanting to make a payment of £7.50 for the trip to Demontfort University.

If your son/daughter is not intending to continue their studies at Cardinal Newman, please let me know so that a career guidance appointment can be arranged.

Higher Education Fayre

In addition, on Monday 24th June students have the opportunity to attend the UCAS Higher Education Exhibit at the NEC, Birmingham. A place has been reserved for each student to attend this at 1.30pm. Students are required to travel independently to the venue and make their own arrangements for return. This is a very valuable way of gaining exposure to many different universities in one location and has proved very informative to previous students. We ask students to attend, without a member of staff, to encourage their journey towards independence.

Students will not be required to attend school on this day. If you give permission for your son/daughter to attend this, please fill out the reply slip below and hand to student reception.

Yours faithfully

Travelling by train?

The NEC can be accessed via Birmingham International Rail Station and is a short 5-minute walk away from the venue.

Further information about the facilities at this station is available on the National Rail website.

Where can I park my car?

Follow signs for North 2 – 5 car parks (Sat Nav – B40 1NT) and follow directions from traffic marshals. There will be free shuttle buses from the car parks to the entrance of the venue. Parking is charged for at £12.95 per car (if booked in advance) or at £17.95 per car (if paid for on-the-day). To book, and for more information, please visit thenec.co.uk/visitors/parking-at-the-nec/.
