Re: Modern Foreign Languages (MFL)

Dear Parent/Carer

We hope that you and your families are well at this time.

From September 2024, students in Years 8 and 9 will study one Modern Foreign Language, either French or Spanish. This is to support pupils in learning a language as they will just focus on one.

Due to curriculum and timetable restraints, we cannot guarantee that students will study their preferred language. However, we will be offering pupils the option of stating their language preference of either French or Spanish, which we will try to consider when planning for September 2024.

Your child will be given the time during tutor time in July to complete the online Forms where they can state their preference as below:

- French
- Spanish
- No preference

We would recommend that you discuss this in advance with your child. Whilst we are offering the option of stating a preference, we cannot guarantee that they will be timetabled for this in the next academic year.

If you have any questions or queries, please do not hesitate to get in touch.

Yours faithfully

Ms E O'Connor
Headteacher
