Dear Parents/Carers

I am writing to inform you of the next step in our history battlefield tour set to depart in February 2025.

We have agreed with the travel company that the next instalment of £150 will be due by Friday 27th September 2024 and the remaining balance of £150 by 22nd November 2024. The payment window is now open on the school payment system.

I would be grateful if I could have the below slip returned to me before the end of term, Friday 19th July with any medical conditions or allergies that your child may have. Students travelling to Europe will need a GHIC card, this insures that in case of medical emergencies students will be able to access medical treatment at the same rate as locals, normally this can then be claimed back from travel insurance. Additional information can be found here, <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/?bpmtrackid=10>

As a result of Brexit, in 2025 all UK visitors travelling to Europe will need an ETIAS visa waiver, this scheme has not been officially launched yet but I will keep you updated when it is. This is a free service and most people will receive their waiver instantly. More information can be found here, <https://www.etiasvisa.com/etias-form-application>

Passports will need to have at least 6 months validity from February 2025. If you can also notify me of your child passport details for the booking form that would be fantastic.

Yours faithfully

Mr J Canning
Teacher of History

Ms E O'Connor
Headteacher
