23 March 2021

Dear Parent/Carer

We hope you and your family are well at this time.

Following on from the support offered at Christmas, Local Councillor, Rachel Lancaster, has offered the school a number of spring-cleaning hampers for families within the Holbrooks area. We are delighted to say that you have again been selected to receive one of these hampers.

Each hamper will include washing-up liquid, disinfectant, bleach, toilet rolls, antibacterial cleanser, plus other items donated by local companies.

Hampers will be delivered to your home address on either Friday 26th March in the afternoon or alternatively on Saturday 29th March in the morning.

Yours faithfully

Mr N Versey
Assistant Headteacher

Ms E O'Connor
Headteacher
