Dear Parent/Carer

We hope you are well at this time.

Following the government announcement earlier this week we are looking forward to being able to work with students in school once again.

Upon their return, students will be expected to arrive in full school uniform with equipment to enable them to access learning throughout the day. With the national restrictions that have been place, particularly on services and shops opening, there have many challenges with acquiring uniform for children. We do not want to add to your burden, whilst maintaining our high standards here at school.

We are proud of how we support parents and would like to take this opportunity to ask you to contact the school using the email address [welfare@cncs.school](mailto:welfare@cncs.school) if uniform is presenting any difficulty for you. We may be able to support you with a range of items from school or from our supplier. Equally, if your child needs additional support with school equipment, please contact us and we will endeavour to support you.

If you are experiencing any other difficulties at this time or would like any further support, please contact the school on the email above.

Yours faithfully

**Mr N Versey**  
**Assistant Headteacher**
