14th July 2025

Dear Parents and Guardians,

Following on from the assessments completed in GCSE Business Studies during Year 10, we have made the decision to set students from September to support their achievement in Year 11 and their final GCSE outcomes in the summer of 2026. This decision will be based on academic ability and their progress throughout year 10.

This will be re-assessed after each mock examination period in Year 11 to support students' development of exam skills and key knowledge. Students may have the ability to move sets after each assessment period to support their progress and increase their attainment.

The sets will be finalised over the summer holidays and students will be allocated to their set on the new timetables issued in September.

We wish you all a happy summer holidays and look forward to working with you in September to support our Business Studies students through their GCSE's.

Yours sincerely

Miss N Bassett
Head of Business Studies

Ms E. O'Connor
Headteacher
