8th September 2025

Dear Parent/Carer

Re: Home Learning

Welcome back to the start of a new academic year. We hope that you are well and that your child is enjoying the return to school.

To support learning in the classroom, we will begin setting home learning for students from Monday 15th September. The timetable for this is attached. We will continue to record home learning on Class Charts and in student personal organisers.

The majority of the home learning set will be completed and submitted electronically. To support this, we will be relaunching our after-school home learning club in BO01.

Home learning is a valuable part of school life and helps support students to develop skills in preparation for assessments. Students completion of home learning is monitored and the following process will be used:

- If a student completes their home learning on time, they will be rewarded an aspire point.
- If a student produces an excellent piece of home learning, they will be rewarded and acknowledged by the department.
- If a student does not complete home learning by the deadline the student will have a 50-minute detention, which will take place after-school on a Wednesday.

Please remember that you can monitor your child's home learning, behaviour and timetable via Class Charts. Further details can be found here: <https://bit.ly/3jLnysw>

We hope you find this information helpful. If you have any questions about home learning, please do not hesitate to contact us.

Yours faithfully

Mrs A Nardiello
Assistant Headteacher

Ms E O'Connor
Headteacher

Year 9 Home learning Allocation

Home learning will be set

- Weekly by: English, Maths, Science and RE
- Fortnightly by: History, Geography, Spanish, French and Technology
- In a 3-week cycle in ART, Drama, Music and Computer Science.

Year 9 students should spend approximately 30 minutes of each piece of home learning.
