Dear Parent/Carer

Post-16 Virtual Open Evening – Wednesday 17th November at 6.00 pm

We hope that you and your family are keeping well at this time.

We are writing to invite you and your son/daughter to attend our **Virtual Post 16 Open Evening**. The on-line event can be accessed through the school website and has been designed to enable you to find out more about our curriculum pathways, results, destinations and to be introduced to our Sixth Form Team. There will be an opportunity to hear from current students about the enrichment and supra-curricular activities they undertake to help them to progress to their chosen destinations. You will also be able to find out about the superb support that is offered pastorally, academically and with UCAS and apprenticeship applications.

We offer a wide range of pathways and subjects at both A level and BTEC designed to enable your son/daughter to reach their chosen destination. Our pathways include: Academic Medical and Engineering, Academic Humanities and Law, Creative Pathway, Professional Health and Services and Professional Business and IT. Students can choose subjects from one or more pathway.

This Virtual Open Evening is the first step in applying to join the Sixth Form. Details about other planned activities including subject Taster Sessions and the application process are included in the presentation.

We are very proud of the achievements of our sixth form students and the wonderful destinations that they progress to. Each year Cardinal Newman students have taken up places studying dentistry, medicine, law, engineering, primary teaching and adult nursing (to name only a few). Students have also progressed to a wide range of degree apprenticeships. Some have travelled as far as the USA, or as close as Birmingham, Warwick or Cambridge.

In the meantime, should you have any questions about any aspect of Post-16 study please complete the FORMS link: <https://forms.office.com/r/ycBYF3PMcQ> We will aim to answer your questions in the presentation.

We very much hope you will be able to engage with this virtual event on Wednesday 17th November.

Yours faithfully
