

December 2025

Dear Parents/Carers

We are writing to you following the consultation on the school's intent to change its name. The consultation period has now finished and following this we are delighted to share with you that the new school name will be **Saint John Henry Newman Catholic School**, effective from the start of the new school term in September 2026.

During the consultation period we received enquiries regarding any changes this would have to the school uniform and branding.

We can confirm that there will be a new school uniform but would like to reassure all parents/carers that we will be taking measures to ensure that this does not have any unnecessary financial costs to you. To support this we have a planned phasing and will ensure that there is a support package available to families.

Branded items will be in line with the new Children's Wellbeing and Schools Bill, which outlines guidance on branded uniforms, and limits the number of items a school is permitted.

We are currently liaising with our uniform providers to finalise these items and will update you in the New Year.

Yours faithfully

Ms E O'Connor
Headteacher
