Dear Parents/Guardians,

**Re: Reading Aloud Primary Transition Programme**

We hope you and your family are well at this time.

We are delighted to share that your child has been selected to take on the role of 'Year 10 Reading Mentor' and will be working with our feeder primary students to support their reading.

These sessions will be timetabled over the next two terms and students will receive their allocated times. We will provide transport to and from the school and we will ensure that work from any lessons missed is emailed to pupils so that they can catch up.

This is a great experience for pupils to further develop their communication and social skills through working with younger students. The role will be suitable to showcase on Prefect applications later this year, along with apprenticeship, college and university applications Post 16.

Please can you complete the consent slip below if you wish for your child to take part in this fantastic opportunity.

Yours faithfully
