March 2026

Dear Parent/Carer

Re: Year 11 Mock Results

We hope that you are well at this time.

Please find enclosed a copy of your child's recent Year 11 Mock Examination results along with a teacher forecast grade for each subject that they study.

- **Mock result:** This is the graded outcome from the mock result – it is based on internal grade boundaries. This grade has a decimal point with it, which indicates how close your child was to the next grade boundary. For example, 4.9 indicates that the student was very close to getting a 5 and 4.0 indicates they were close to the 3/4 boundary.
- **Teacher forecast:** This is the forecast result for your child's achievement at the end of year 11. This is an indication of the result your child might receive at the end of year 11 if they continue working in the same way.
- **Aim High Target:** This is an aspirational target based on statistical data for your child.

Subjects that did not complete a mock examination will have a teacher forecast grade only based on their current performance.

We are now within 4 school weeks of the real exams beginning. It is crucial that students are making the most of their time in lessons, during period 6 and additional interventions.

Students will also be sitting final in-class assessments upon their return after Easter in their core subjects. Further information will be shared before the Easter holiday alongside any additional sessions on offer during this time.

If you have any questions, please contact Mr Abbott via Jamie.abbott@hccmac.co.uk

Yours faithfully

Mr J Abbott
Associate Assistant Headteacher

Ms E O'Connor
Headteacher
