Dear Parent/Carer

## Sixth Form Applications Open

We hope that you and your family are keeping well at this time.

We are writing to inform you that applications to transfer to the Sixth Form in September 2022 are now open. To apply students will need to complete the FORMS link below by Friday 28<sup>th</sup> January 2022. Once applications have been received students will be invited to an informal meeting with one of the Sixth Form Team to discuss their choices and offer letters will be issued. The general and subject specific entry requirements are attached.

We ask that students detail their subject choices in order of preference. If there is a subject that students would like to study that is not included in the list, they should detail this on the FORM. We will do our best to offer subjects if there is sufficient demand. Please be aware that through our close working relationship with Bishop Ullathorne and other city schools we are able to offer a much wider range of subjects (approximately 100).

The FORMS link follows: <https://forms.office.com/r/3Mtu7FLTbu>

We are very proud of the achievements of our sixth form students and the wonderful destinations that they progress to. Each year Cardinal Newman students have taken up places studying dentistry, medicine, law, engineering, primary teaching and adult nursing (to name only a few). Students have also progressed to a wide range of degree apprenticeships. Some have travelled as far as the USA, or as close as Birmingham, Warwick or Cambridge.

If you would like any further information about post-16 study please visit our website where there are recorded presentations from students and staff that you may find helpful: <https://www.cncs.school/page/?title=Virtual+Sixth+form+Open+Evening&pid=101> Should you have any questions about any aspect of Sixth Form study please contact [christopher.courtney@cncs.school](mailto:christopher.courtney@cncs.school)

Yours faithfully
