Dear Parent/Carer

RE: Year 11 Mock Examinations – Spring Term

We hope you and your family are well at this time.

Year 11 Spring subject mock examinations are scheduled to begin from the week beginning the 14th February 2022. These examinations take place over two weeks with February half term in between. This is to support students with managing their revision over a longer period of time.

An examination timetable and a revision booklet will be shared with students three weeks before the examinations to help focus revision and prepare.

These examinations will allow your child's teachers to review any areas for improvements and support your child in preparing for the final examinations which are scheduled to begin at the beginning of May 2022. Throughout the year teachers will be offering support and intervention sessions and a copy of the Period 6 timetable for this half term is attached. Please do encourage your child to attend all sessions. Your child may also be invited to attend sessions in the holidays or after school for Period 7.

There have already been some adjustments to some subject examinations for which we have addressed, however any final changes will be published no later than 7th February. We will ensure that both students and parents are aware of any final changes.

We would also like to remind you that Year 11 Takeaway Evening is scheduled to take place on Thursday 17th March. This is an opportunity for parents to meet staff, collect any final revision resources and find out the best ways to support your child at home. This evening is planned to go ahead but will be reviewed near the time in relation to COVID.

We would also like to remind you that the Year 11 Prom is being held on Thursday 7th July at the Windmill Village Hotel, letters have been issued to parents via Xpressions with instructions on how to pay for Prom tickets. We very much look forward to celebrating with Year 11.

If you have any questions or queries, relating to examinations please contact Mr Haddock on: matthew.haddock@cncs.school If you have any queries relating to Year 11, please contact Ms Goodwin on: michelle.goodwin@cncs.school or Mr McLintock on: joe.mclintock@cncs.school.

We look forward to working closely with you, throughout the year and supporting your child to achieve their potential.

Yours faithfully

Mr McLintock

Headteacher
