4th February 2022

Dear Parent or Carer

We are delighted that your son/daughter has been accepted onto the Realising Opportunities (RO) programme which is a unique collaboration of 15 leading universities. It is a highly competitive programme with many benefits including future reduction of grades should a UCAS application be made to the following universities:

University of Birmingham	University of Exeter	King's college London
Lancaster University	University of Leeds	University of Liverpool
University of Loughborough	University of Nottingham	Newcastle University
Queen Mary University of London	The University of Sheffield	UCL
University of Warwick	University of York	University of Leicester

The Launch event for the programme will take place on **Friday February 11th from 13:00 – 15:00 at the University of Warwick.**

Students have been given permission to attend this event and will **not need to attend school on Friday morning**. This will give them plenty of time to make their way to the university for 13.00. The pack of information provides links regarding transport and dropping off points if travelling by car.

It is important that students comply with all the requirements the university have requested including the following:

- Completion of the **online consent form – link in the email**
- Completion of the pre-survey form
- Compliance with Covid 19 requirements, including the wearing of a face mask at all times whilst on site.

Students will not be accompanied by a member of staff from school. The outreach team at Warwick university will be supervising the event. In case of emergencies the contact number is 07867468542.

We are confident that our students will be fantastic ambassadors for our school and that they will gain a tremendous amount from the programme.

For our records, please complete the reply slip below.

Yours faithfully
