Dear parents and carers

Re: Year 11

We hope you and your families are well at this time.

This week, we have welcomed back Year 11 and they have now completed their Spring mock examinations. These examinations will support us in identifying where students' current learning sits and the analysis of the mock results will allow us to spend the rest of the time that Year 11 have in school, responding to the gaps in knowledge. As we begin the 7-week countdown to the start of the summer examinations in May, students will be provided with a comprehensive subject roadmap that covers any areas of weakness.

We will be sending regular updates via Xpressions each week, to highlight any important dates in the Year 11 calendar. We would like to point out a change in date:

- Year 11 Takeaway Evening was originally planned for Thursday 17th March; however, this event will now take place on **Wednesday 16th March from 4.30pm – 6.00pm.**

Students will be collecting their mock examination results that evening, and parents will be able to collect resources and revision materials to help with revision at home. We very much look forward to welcoming you to the school site.

SUPPORT

- The Period 6 revision timetable has been shared with students and sent out to parents. Please encourage your child to attend these valuable sessions as we approach the examinations.
- Period 7 support sessions have started again for targeted students. The dates for these are on the Period 6 and Period 7 timetable.

We will shortly be sharing the Easter Revision Timetable with parents and students.

UPCOMING DATES

- Year 11 Careers Event (in school) – Tuesday 22nd March 2022
- BTEC Sport and GCSE PEP Catch up Day – Wednesday 23rd March 2022
- French and Spanish mock speaking exams – week beginning 28th March 2022

We would also like to remind parents that the payment deadline for the Year 11 Prom at the Windmill Hotel is Friday 8th April. Payments can be made via the School Gateway App.

Yours faithfully

Ms M Goodwin
Deputy Headteacher
