Dear parents and carers

Re: Year 11

We hope you and your families are well at this time.

Teachers are busy this week, following the mock exams, generating personalised learning checklists and revision resources for all Year 11 students to support them with the final weeks before the examinations begin in May. We have 8 weeks to go in total but only 6 school weeks!

Each week, we will be sending home any key information or updates to parents so that we can support the students both at school and at home,

A reminder that next week, we are very much looking forward to welcoming parents on to school site with the Year 11 students, to collect mock examination results and collect any important revision materials. You will be able to speak to teaching staff, and meet our careers advisor and pastoral team.

- Year 11 Takeaway Evening - **Wednesday 16th March from 4.30pm – 6.00pm.**

We hope that you will attend the evening. To help us plan, we would be grateful if you could complete the Microsoft Forms to indicate your attendance:
