Students will also have a careers session with the school careers adviser, Miss Brennan. She will be going through the online careers platform that all students will have access to; Unifrog. Students can access this from home and I would recommend that you spend some time with your child looking at this great resource.

Thank you for your support and time. If you have any further questions, please do not hesitate to contact Mrs Scanlon on sarah.scanlon@cncs.school.

Yours faithfully
