Dear parents and carers

Re: Year 11 Easter Provision

We hope you and your families are well at this time.

A reminder that over the Easter holiday, we have a number of revision sessions available to support Year 11 students. Access to the site is only through the main pedestrian entrance on Sandpits Lane or if being dropped off, via the main car park. Students must sign in at student reception. Students must go to the allocated room/block and will be escorted down to student reception at the end of the session to sign out.

There is no canteen access over the holiday period, so please ensure that your child has what they need for the morning or afternoon sessions. Light refreshments are available and teachers will direct students to either bring what they need, or will provide revision materials in the sessions.
