

CARDINAL NEWMAN
CATHOLIC SCHOOL

YEAR 11

EXAMINATION
PREPARATION BOOKLET

Summer 2022

Dear parents, carers

GCSE Examination Arrangements

We are now approaching the beginning of the GCSE examination period for which students have been preparing throughout KS4. We hope students approach this in a mature manner and revise fully for each examination. We ask parents to support and ensure that students are well prepared. Your child’s individual examination timetable should be displayed somewhere prominently in the house so no exam is missed. Timetables are also displayed outside the Head of Year office, in tutor rooms and outside the Sports Hall for students’ reference. This is where seating plans will be posted as each examination gets closer. Dates will also appear in the school newsletter.

Please make sure your child has the equipment they need to be successful. This includes the following items:

2 black biros (one spare in case the first runs out)	Pencil (and a sharpener)	Ruler	Eraser
Protractor (for Mathematics and Science examination)	Compass (for Mathematics examination)	Scientific Calculator (Essential for Mathematics and all Science examinations although may also be required in other exams)	A clear pencil case

We will support any students that needs help with obtaining their examination equipment, please encourage your child to speak to their tutor or visit the TLC.

Over the coming months, you can help support your son/daughter with their revision planning, keeping them on schedule and, most important of all, making sure they eat and sleep well so they perform at their best. Students are also expected to present themselves for their examinations in **full school uniform**. As with examination equipment, please contact the tutor, Mr McIntock or encourage your child to see Mrs Tabram in uniform if any support with uniform is required. Do not leave it until the day of the examination/s.

If your child is ill during the exam season, please phone us immediately to let us know. No alternative arrangements can be made to sit an exam at another time so it is always best to attempt the exam rather than miss it altogether. As you are aware, the examination season this year is slightly different to usual examination seasons as examination papers are spaced out, with approx. 10 days in between papers in response to Covid-19. We can send a doctor’s note for special consideration on your behalf. Exam entry fees have been paid by the school for your child but if they miss an exam you will receive a bill and will have to pay for each paper missed. Please support your child by getting them into school on time. It can be very unnerving and affect their performance if they are in a rush to get to the examination hall.

GCSE Examination Lesson & Revision Schedule

At Cardinal Newman we do not operate a system of study leave. Instead, we set up a specific programme of study tailored to the needs of students to support in developing further revision and examination techniques.

Over the next examination period extra revision sessions have been created. **Please look at the attached examination schedule carefully** which marks out all of the GCSE examinations and the respective revision lessons for the remainder of the examinations. Where students are not in an examination or an additional revision lesson they are expected to remain within their normal timetabled lessons and have with them, resources to revise during lessons where examinations have taken place. A copy of the schedule can be found on the school website. **All students will be required to register in school every day with their tutor. Please can you reinforce this with your child as it is vitally important that we are aware of who is in school at all times. Can you ensure that your child attends all of the sessions that they are required for as the staff will be using those lessons to prepare students for examinations.**

The final whole cohort examination is on Thursday 23rd June 2022 (GCSE Polish is on Monday 27th June). **Arrangements will be made to collect in any school books on or before this date.** Students have in the past signed shirts after the final examination. For this to happen **please ensure that your son/daughter brings in a spare shirt that can be signed and kept in their bags** as a souvenir. Students will not be allowed to wear signed shirts to walk home. You will be called to collect your child unless they have a clean shirt to wear home.

Year 11 End of Year Mass

The Year 11 end of year Mass will on **Thursday 12th May at 6pm at Holy Family Church.** This will be the last time that the students and families can come together as a community for Mass and it would therefore be wonderful to see everyone there. Prom tickets will be issued to students that have purchased a ticket after mass.

Year 11 Prom

The Year 11 Prom is on **Thursday 7th July at The Windmill Village, Allesley Village at 7.00pm.** Entrance is strictly by ticket only and tickets will be distributed to students at the Year 11 Mass. Students need to make their own arrangements for transport to and from The Windmill Village. Attendance to the Prom is subject to meeting behaviour expectations in Year 11.

Collection of GCSE Results

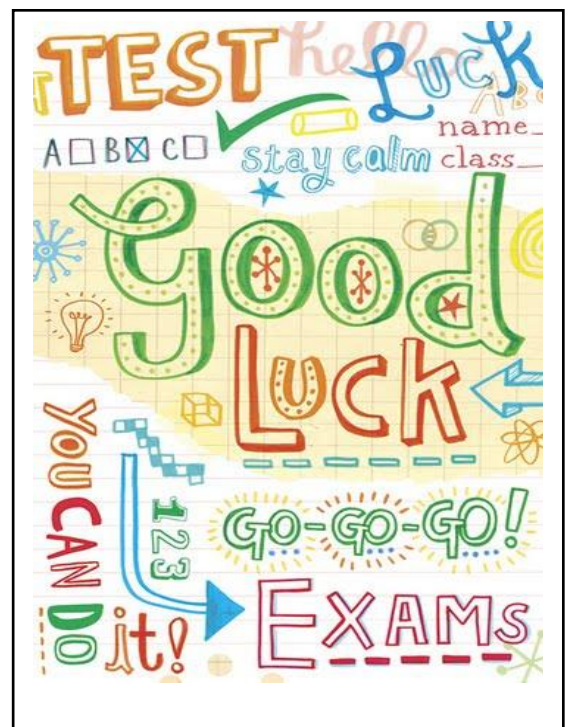

The GCSE examination results will be available for collection on **Thursday 25th August from 9.00am to 11.00am,** in the Pope Francis Hall. Further details for this date will be sent to students and parents before the summer break.

We wish all our young people good luck in their forthcoming exams and many thanks for your continued support. Please contact us at the school if you have any queries regarding the examination arrangements.

Yours sincerely

Ms E O'Connor
Headteacher.

Good Luck
in your exams

Lord Jesus,

You understand the difficulties our students face and the pressure they are under right now in preparation for their Exams.

We ask that you guide them as they sit their examinations so that they may do their best.

Open their minds, clear their thoughts, relax their mind and bodies and grant them perfect concentration,

Let them use the knowledge they have gained to be successful and build up your kingdom for the good of all.

Amen

GCSE Examination - Lesson & Revision Information

The schedule below identifies the examinations and the lessons that have been scheduled for each particular day. **All students will be required to register in school with their tutor each morning.** The priority for each day will be as follows:

1. Examination. Any student sitting an examination will be expected to be in the correct location for their exam.
2. Revision lesson. Where a student is part of a course with an additional revision session, they should attend this rather than their normal timetabled lesson.
3. Normal lesson. Students should attend their standard lesson following the timetable they have used for the year to date. Where a subject course has completed students may be extracted for additional support if this has been prearranged by the teachers concerned. If this is not the case students will be expected to work individually on examination preparation for other subjects. **It is therefore essential that students bring revision material in with them every day.**

New Timings of the Day - During the Summer examination period, timings of the school day will alter slightly to ensure examinations start at suitable timings and have less disruption from outside noise. **Please see below the timings that show when students must line up and the start time for each examination.**

Each day over the coming weeks has been broken up into the daily activities. The example below illustrates how the day will be organised.

The date is displayed in this box				Key information about compulsory attendance will be shown in this box			
Period	Time	Normal Class		Examinations			Extra Revision Session
		11a	11b	Subject	Length	Number	
Before School	7:30am – 8:40am						
Period 1	8:40am – 9:40am	11A Options					This is where additional revision sessions will be outlined. If a student takes this subject and is not in an examination they will be expected to attend this session.
		Ar					
Period 2	9:40am – 10:40am	11A Options					
		Ar					
Period 3	11:00am – 12:00am	Sc	En				
Period 4	12:40pm – 1:40pm	Ma	St	Any examination will be in yellow. Students only sit this examination if part of their course	Length of the exam	Number of students in the exam	
Period 5	1:40pm – 2:40pm	Re	Pe				
After School	2:40pm – 3:40pm						

Here are the timings for the school day. There will be changes during the examination period to ensure that afternoon examinations have suitable time to complete without disruption across the school.

In this column you will see the normal timetabled lessons. These will differ according to each student although the timetable shown is for all lessons.

When a subject has completed the examination, it will be highlighted in red as the course will have finished. Students will be able to use this time to prepare for upcoming examinations. They should bring with them suitable material to revise from during this time. They will be expected to attend the lesson as normal and will be supervised during this time.

Pre GCSE-Examination Exam week

Thursday 12th May 2022							
Period	Time	Normal Class		Examinations			Extra Revision Session
		11a	11b	Subject	Length	Number

Period 5	2:10pm – 3:10pm	English	Maths				
After School	3.10pm – 4.10pm	Maths	Science				

END OF EXAMINATION PERIOD. THERE ARE NO MORE GCSE EXAMINATIONS AFTER THIS DATE

Below is the summer timetable of examinations for GCSE students. Students will receive individual examination entries during the Easter Holiday, which will detail the examinations which are relevant to the courses they study.

Revision sessions will run during half term and over some weekends. This information will be communicated with students separately.

Students should be lined up and ready to enter morning examinations by 8.40am (with the exception of GCSE English Language which will start early – Year 11 students are expected to be in school for 8.30am). Afternoon examinations either begin at 1.30pm (Monday, Wednesday, Thursday and Friday) or 1pm on Tuesdays. Please ensure that your son/daughter is fully equipped for each examination following the guidance from their subject teachers.

Date	Start time	Duration	Subject	Tier
12/05/2022	9AM	90 mins	BTEC IT	NT
