June 2022

Dear Parent/Carer

## Re: Science Set Changes

We hope you and your family are well at this time.

We will be reviewing class groups in Science as we begin the Summer term. Any changes to groupings reflect knowledge diagnostics and will support rapid progress in developing areas. Students who access new teachers will be monitored throughout the year.

If you have any queries, please do not hesitate to contact us.

Yours sincerely

**Mrs N Shepherd**  
Head of Science Department

**Ms E O'Connor**  
Headteacher
